The term global village was coined by Marshall McLuhan, a Canadian philosopher and a public intellectual, in the beginning of the 1960s. He had a vision of technology reducing the size of the globe to that of a village, with information floating freely and simultaneously from one end to the other. McLuhan believed that interconnectivity on such a scale had the ability to heighten human awareness and bring together all political and social functions.

The term global village is closely associated with Herbert Marshall McLuhan, the Canadian communications theorist and literature professor hailed by many as a prophet for the 20th century. McLuhan's mantra, "the medium is the message," summarized his view of the influence of television, computers, and other electronic information sources in shaping society and modern life.

The card is not valid for entry into Canada via the NEXUS lanes. Only your passport or lawful permanent resident card are accepted at Global Entry kiosks. The Global Entry card cannot be used at Global Entry kiosks. NEXUS cards are accepted at Global Entry kiosks located on Canadian Preclearance Airports.

### Global Entry Card | U.S. Customs and Border Protection

As June Johnson, author of Global Issues, Local Arguments, states, "The idea of the world's cultures drawn together in a global village raises questions about equal representation, reciprocal sharing, enriched diversity, and mutual understanding" (192). More than ever, examples of cultural globalization can be seen in our everyday lives.
