<http://nwhyte.livejournal.com/1518346.html> The Slitheen Excursion is in most ways a standard alien invasion New Series Adventures romp, but lifted partly by the total absence of fart jokes for the Slitheen and mainly by the strong presence of June Brown, a contemporary classics student who bumps into the Doctor while on holiday in Athens and helps him go back in time to defeat the nefarious plans of the green slimy shape-shifters.

Doctor Who: The Slitheen Excursion by Simon Guerrier

The Slitheen Excursion is a BBC Books original novel written by Simon Guerrier and based on the long-running British science fiction television series Doctor Who. It features the Tenth Doctor initially without a companion, most likely following on from the fourth series finale Journey's End. During the story he does acquire a temporary companion in the form of university student June who—while still with him at the end of the story—does not appear in any other adventure.
