Our Mission. The European Accounting Association (EAA) aims to link together the Europe-wide community of accounting scholars and researchers, to provide a platform for the wider dissemination of European accounting research, and to foster and improve research in order to ensure the development and the promotion of accounting as well as the improvement of the teaching skills.

Home | EAA

Conscious of these origins, European Accounting Review emphasizes openness and flexibility, not only regarding the substantive issues of accounting research, but also with respect to paradigms, methodologies, and styles of conducting that research.

Accounting principles | Books for free

Managerial accounting helps managers and other decision-makers understand how much their products cost, how their companies make money, and how to plan for profits and growth. To use this information, company decision-makers must understand managerial-accounting terms. When planning for the future, they follow a master budgeting process. To prepare this budget, and to understand how [...]
