So when seeking to influence using the consistency principle, the detective of influence looks for voluntary, active, and public commitments and ideally gets those commitments in writing. For example, one recent study reduced missed appointments at health centers by 18% simply by asking the patients rather than the staff to write down ...

Principles of Persuasion - INFLUENCE AT WORK

Social psychologists John French and Bertram Raven studied this phenomenon more than half a century ago. Despite its age, their research can still help us to understand why some leaders influence us, how prepared we are to accept their power, and - if you are a leader - how you can develop new power bases to get the best from your people ...
