K-12 Schools in the United States In the United States, students begin formal education around age five or six. Generally, elementary and secondary school grades kindergarten through grade 12 (K-12) are required, after which a student may choose to attend college or university. There are two types of kindergarten through grade 12 (K-12) schools in the United States: public and private.

Kindergarten to Grade 12 Students | Study in the States

Well, most of us have no collection of such hidden gems, so we recite the litany of things we have heard work well. Even textbooks provide general prescriptions on how to study, and there are also a number of student study guides (e.g., Fry, 2004; Tamblin & Ward, 2006).
